Payment Entry

Reminder: There is an online payment limit of \$50,000 when using a credit card and \$100,000 when using eCheck for this website. Please make sure the total of all invoices that are be paid with this transaction does NOT exceed the amount stated above for the payment type being used. If it does and you proceed with the payment process, you will get a 'payment failed' message at the completion of the payment process. To avoid this, press 'Cancel' at the bottom of this page. To make payments larger than the amounts stated above, please visit one of the County's Planning or Permit Offices.

When paying by eCheck, your bank account must be Automated Clearing House (ACH)-enabled, meaning the transaction can settle through the ACH Network. If your bank account has a debit block to prevent unauthorized organizations from debiting your account via ACH, you must notify your bank to authorize ACH debits from Los Angeles County with a debit filter with the Company Identification Number of 0 0 0 0 7 9 1 6 1. Los Angeles County updated its Company Identification Number in November 2018, so you must update this Company Identification Number if you previously had a debit filter on your bank account.
